I wanted to let everyone know that there will be topics for discussion for two legislative items.

Currently, Senate Bill 115 has been pre-filed. This bill would revise NRS 202.265 to prohibit weapons in the public library. This item will come up for discussion on Tuesday February 28<sup>th</sup> in Carson City. When these bills come up for discussion, it could potentially be an all-day commitment. If are interested in attending that day to speak or just to be in the audience, please let me know. You can see this with a current list of pre-filed bills here:  
<http://www.leg.state.nv.us/Session/79th2017/Reports/Prefiled.cfm>

Next, the Nevada State Library Archives and Public Records budget will be discussed on Thursday March 2<sup>nd</sup>. Again, this should be an all-day affair. Budget hearings will begin at 8:00 a.m. Any help with presence or speaking would be appreciated. You can see the budget online here:  
<https://www.leg.state.nv.us/App/NELIS/REL/79th2017/Budget/5937/Overview>

On these issues, you would be considered a county expert if you were to attend.

If you have any questions, please let me know.

Thanks,

Jeff
