CONGRESSIONAL DISTRICT 3

My personal opinion is that there really is not a “good” choice in CD3. It is an ugly race.

Patrick Carter
Candidate (R)
NVFAC PAC = failure to return
NRA = ?

Would you support legislation to ban assault weapons? Why or why not?

Yes, but it depends on the overall bill and to who/what/when/where it applies. If you charted privacy (rights to do things outside of government oversight) vs safety, we as a society have to decide how much privacy we are willing to give up to earn additional safety. I think we have reached a point where it is time to look at regulation of some weapons. However, I favor having state regulation instead of federal regulations.

Edward Hamilton

Candidate (R)

NVFAC PAC = failure to return

NRA = Aq

He's a perennial candidate that is always running for something, but appears to have no qualifications to hold office. In addition, we have spoken on 2A issues, and his answers were "uninformed" at best. We believe *he believes* he supports the 2A, but he says things that are key indicators of being a BUTter. i.e. "I don't think people should have..."

Scott Hammond

Candidate (R)

NVFAC PAC = failure to return – he states he did not receive it and will be submitting soon

NRA = A Endorsed

Voted FOR the Commerce Tax but from what I hear, he was good on most other conservative votes, including ESA, so given the state of this race do we give him a chance? I am considering it.

Stephanie Jones

Candidate (R)

NVFAC PAC = failure to return

NRA = Aq

We know nothing about her.

Thomas Mark La Croix

Candidate (R)

NVFAC PAC = A

NRA = ?

We know nothing about him

David McKeon

Candidate (R)

NVFAC PAC = failure to return

NRA = ?

TOO many questionable things in his past to consider him

Michelle Mortensen

Candidate (R)

NVFAC PAC = A

NRA = Aq

My opinion is that she is out of her league running for Congress. Her canned answers are that she supports President Trump's plans. She is not mature enough to deal with criticism and the responses I have seen put her in a poor light. The debate I watch showed her to be angry and much of her time spent attacking Danny Tarkanian.

Danny Tarkanian

Candidate (R)

NVFAC PAC = B

NRA = B

A perennial candidate who can't seem to win a general election. He was running for Senate until the very last day of filing. There is a large amount of public record that shines a very negative light on his business dealings in the past. If he wins the primary, the D's WILL trot out all of his skeletons and use them against him. He has also never been a firm supporter of 2A. He's always

had wishy-washy answers. After Parkland, his wife made comments that were supportive of the gun control moves that were happening in FL. In a recent debate he stated twice that background checks were needed for all gun sales. So he supports Universal Background Checks. It is our opinion that he's a train wreck, and even if elected, would not see the end of his first term.

Annette Teijeiro

Candidate (R)

NVFAC PAC = A

NRA = ?

My opinion is she has run multiple times for office and can't win. Plus she is condescending and seems to have a sense of entitlement due to her being a doctor, which she makes sure everyone knows. She exaggerates about her political experience to the point of it being annoying.

CONGRESSIONAL DISTRICT 4

Jeff Miller

Candidate (R)

NVFAC PAC = A

NRA = he sent it in late, waiting processing

SOLID 2A supporter

Good guy; he is the common man candidate; I fully support Jeff

David Gibbs

Candidate (R)

NVFAC PAC = A

NRA = Aq

I have heard from numerous people he had some irregularities while Chairman of the Clark County Republican party, which puts him in not so good light

Crescent Hardy

Candidate (R)

NVFAC PAC = failure to return

NRA = A Endorsed

FreedomWorks Scorecard = 67%

He is an establishment Republican we do not need

Mike Monroe

Candidate (R)

NVFAC PAC = failure to return

NRA = ?

I know nothing about him besides he is a perennial candidate and has no web presence.

Bill Townsend

Candidate (R)

NVFAC PAC = failure to return

NRA = Aq

He is a 2nd Amendment BUTTER believes in universal background checks and raising age to own firearms to 21

Kenneth Wegner

Candidate (R)

NVFAC PAC = A

NRA = Aq

not familiar with him; lacking any online presence; besides it seems he has unsuccessfully run for CD4 twice before, so another perennial candidate

GOVERNOR

Adam Laxalt

Candidate (R)

NVFAC PAC = A

NRA = A+ Endorsed

Is the ONLY choice to vote for to save our 2nd Amendment rights in NV. He is the only republican able to win the primary and only one able to beat the anti gun democrat in the general elections. Thinking otherwise is foolish.

Dan Schwartz

Candidate (R)

NVFAC PAC = failure to return

NRA = ?

He stated he will find away to implement the universal background checks (Q1 ballot measure in 2016 which Adam Laxalt stated was unenforceable). When questioned about his 2A positions, instead of backing off, he doubled down. Ultimately, he decided to cut bait and advised, "If 2A is your issue, Laxalt is your guy". So there you go.

Jared Fisher

Candidate (R)

NVFAC PAC = C

NRA = ?

He has publicly supported 2016-Q1 and various gun control measures. He seems at best a RINO.

LT. GOVERNOR

Scott LaFata

Candidate (R)

NVFAC PAC = A

NRA = Aq

Strong liberty minded, 2A supporter. We fully support Scott.

Eugene Hoover

Candidate (R)

NVFAC PAC = A

NRA = Aq

Brent Jones

Candidate (R)

NVFAC PAC = A

NRA = A

His voting record in the NV Legislature was solidly conservative, including 2A issues. BUT... He is a Scientologist. This is a showstopper. In addition, his water business markets to the uninformed/misinformed and preys on the vulnerable (sort of like Scientology). While we could do worse, the Scientology thing is a deal-breaker.

Michael Roberson

Candidate (R)

NVFAC PAC = A+
NRA = A Endorsed

While his voting record has been largely fairly conservative, and he has largely been a friend of the 2A, he is also responsible for shepherding Sandoval's Commerce Tax through the NV legislature. In the process, he allowed several good pro-2A bills to die on his watch. Our one chance to pass Campus Carry was one of them. His excuse was that it didn't have the votes to pass, so it wasn't allowed to come to a vote, which means that he and the others get to keep their NRA "A". While he does get the credit for abolishing Blue Cards and passing solid preemption, he also has to own the failure of Campus Carry on his watch.

ATTORNEY GENERAL

Wes Duncan
Candidate (R)
NVFAC PAC = A
NRA = A Endorsed

Had a conversation with him at a recent event, and he had all the correct answers. He spoke at length about his understanding of the importance of the 2A, and protecting it.

Craig Mueller
Candidate (R)
NVFAC PAC = A
NRA = Aq

Video statement on 2A:

<https://www.facebook.com/CraigForNevada/videos/1746434748782789/>

His support for 2A has been unequivocal, which counts for a lot in the current climate. He's the underdog in this race, but seems worthy of the office.

Summary for the AG Race: It seems like we could be in good shape with either of these candidates. Which one could win the general election against Aaron Ford? Hard to say. Wes Duncan is probably better connected, considering the sheer larger number of endorsements and campaign funding. Craig Mueller is charismatic on the issues. Take your pick.

STATE TREASURER

Bob Beers
Candidate (R)
NRA = A Endorsed

Bob is the best candidate for this position. With his years of experience as a CPA, his time in the NV Legislature and on the Las Vegas City Council, he has the breadth of experience to do the job. PLUS he is a fiscal conservative that is a strong 2A supporter. We've known Bob for years. He was ousted from the state legislature for advocating for Campus Carry. He's a Ham Radio operator. He's exceptionally familiar with municipal finance, and the pitfalls of socialist policies. He nearly single handedly stopped the boondoggle that was the soccer stadium. Bob has, to the best of our knowledge, run an entirely positive campaign. He has spoken of his qualifications, without tearing down his opponent. See below for why this matters.

Derek Uehara
Candidate (R)
NRA = ?

Derek comes off as a really nice guy. But do we want to elect nice guys or qualified guys? We want to elect the best person to office. We believe Bob Beers is more qualified. If Derek happens

to win the primary we will definitely support him in the general election, as the alternative (electing a D) is not an option.

Notes: There were some really egregious attack ads that came out against Bob Beers on social media, full of outright lies. They were posted anonymously. When his opponent was confronted on the issue, he denied having any knowledge of it. While there is no outright proof that these ads were posted by his opponent, who else would post them?

SECRETARY OF STATE

Barbara Cegavske

Ira Hansen
Incumbent (R)

Ira has been a staunch 2A supporter in his time in the legislature. He fought hard for Campus Carry in the 2015 session. He is a hard-nosed, get it done kind of guy, and to the best of our knowledge, was respected by his conservative peers.

DISTRICT 16

DISTRICT 17 – no primary

James Settelmeyer
Incumbent (R)
NVFAC PAC = A+
James has been a solid friend to the 2A in the past. He sponsored a knife-rights bill in 2015. It passed, but was watered down to the point of being largely ineffective. He did, however, make an impassioned speech about the need for legalized switchblades, due to the unique needs of ranchers and castrating bulls one handed. Don't borrow his knife.

I spoke to her; seems like a 2A supporter but she is uninformed/misinformed on permit-less carry which she does not agree. She believes that training for a CCW is needed. Otherwise she seems to be a solid conservative, but some education on permit-less carry is needed.

Tom Roberts
Candidate (R)

I spoke to Tom, he is a recently retired Metro Captain; he does not support permit-less carry as he has the belief the training for a CCW is important but saw that the difference between putting a t-shirt over a handgun with a permit vs Open Carrying really doesn't change much. He is not very aware of burden of regulations in NV but says he is for smaller government. He is a supporter of Joe Lombardo, which doesn't help his cause in my eyes. Between Tom Roberts and Steve Sanson though, I would say vote for Tom Roberts.

Steve Sanson

Christopher Edwards
Incumbent (R)
NVFAC PAC = Failure to Return
Has a lot of baggage from the 2015 session. He supported the Commerce Tax, and was connected with wiretaps against other more conservative legislators. Accusations against him were along the lines that he solicited others for payoffs to get his support for their agenda. Note that these accusations were not fully fleshed out to the best of our knowledge, and he has already been re-elected once since then. Your mileage may vary.

DISTRICT 20 - no primary

Michael McDonald

Although he is currently listed as FTR for the NVFAC survey, we suspect this is likely an oversight / lost email issue. He DID complete the NRA survey, which you can review at the link below. He had all of the correct answers. Not one wishy-washy avoid-the-question type of answer. All correct answers. And having seen him in an interview on the Dave Champion show awhile back, we got the same vibe from him then. Hof's main issue seems to be fiscal conservatism, but he is saying all the right things on 2A.

NYE COUNTY SHERIFF – NONPARTISAN RACE

Registered Republican

NRA: Aq

STRONG, well-documented 2A supporter

Review Mr Champion's policy statements on his YouTube channel at:

https://www.youtube.com/channel/UC71rJ5_ikxEMnU4hMLwRxA

We can't imagine voting for anyone else after seeing the above. His approach to policing is about as Liberty-minded as it gets. He shows a respect for the constituency that is unheard of in Law Enforcement. Dave has been known as a friend to the 2A for many years. He has produced videos and television content extolling a purist view of the 2A. Every county should be so lucky as to be able to vote for a candidate like Dave Champion.

One final note: Many people, especially right-leaning folks, are put off by Dave's extensive tattoos across much of his body. Please, take the time to review his policy positions at the link above, and see if you care about his body art afterwards. We think you'll be as impressed as we are.

Sharon A. Wehrly

Incumbent

NRA: ?

We have no firm information about her position on 2A, but we do have information about a recent incident where she left her duty weapon in the bathroom at Saddle West. And worse, it's not even the first time. We've followed this Sheriff through her term, and we're concerned, to say the least.

<https://www.ktnv.com/news/contact-13/sheriff-leaves-gun-in-casino-restroom>

Many in Pahrump will remember the incident where NCSO Deputy Tolle shot the dog of Pahrump resident Gary Miller. The summary is that Tolle was cleared of all wrongdoing, but only after the Sheriff intervened herself to ensure that was the result of the internal investigation. Read through the article, and specifically the comments made by the various deputies involved. Decide whether it looks like they have proper leadership. <https://www.ktnv.com/news/contact-13/disturbing-new-details-uncovered-in-death-of-dog-shot-by-deputy>

Given these (and other incidents), we are unable to support Wehrly.

NRA RATINGS:

A+

A legislator with not only an excellent voting record on all critical NRA issues, but who has also made a vigorous effort to promote and defend the Second Amendment.

A

Solidly pro-gun candidate. A candidate who has supported NRA positions on key votes in elective office or a candidate with a demonstrated record of support on Second Amendment issues.

AQ

A pro-gun candidate whose rating is based solely on the candidate's responses to the NRA-PVF Candidate Questionnaire and who does not have a voting record on Second Amendment issues.

B

A generally pro-gun candidate. However, a "B" candidate may have opposed some pro-gun reform or supported some restrictive legislation in the past.

C

Not necessarily a passing grade. A candidate with a mixed record or positions on gun related issues, who may oppose some pro-gun positions or support some restrictive legislation.

D

An anti-gun candidate who usually supports restrictive gun control legislation and opposes pro-gun reforms. Regardless of public statements, can usually be counted on to vote wrong on key issues.

F

True enemy of gun owners' rights. A consistent anti-gun candidate who always opposes gun owners' rights and/or actively leads anti-gun legislative efforts, or sponsors anti-gun legislation.

?

Refused to answer the NRA-PVF Candidate Questionnaire, often an indication of indifference, if not outright hostility, to gun owners' and sportsmen's rights.
